* Includes 1 Institute Elective course of 6 credits. Institute Elective cannot be taken in Sem I.

Note: Once an option is chosen in Sem I, the same option has to be chosen in Sem II. For example, if you choose box A in Sem I, then box A should also be chosen in Sem II. Similarly, the option chosen in Sem III and IV has to be the same. Thus, all possible combination of [A or B] and [C or D] are possible, i.e., [A and C] or [A and D] or [B and C] or [B and D].
