

# 14th International Conference on Management of Data COMAD 2008

December 17-19, 2008

Indian Institute of Technology , Bombay, India

<http://www.cse.iitb.ac.in/comad/2008>

For over a decade and a half, the International Conference on Management of Data (COMAD), has been the premier international conference on data management in India, covering the areas of database systems, data mining and information retrieval. The 14th COMAD will be held from December 17-19, 2008, at the IIT Bombay campus in Mumbai. COMAD 2008 features an exciting set of keynote talks from world leaders in the fields of database research, information retrieval and data mining. It also includes exciting tutorials, and presentations on the latest research and application/industrial results.

## Keynote Speakers

Surajit Chaudhuri (Head, Data Management Research, Microsoft)  
Raghu Ramakrishnan (Chief Scientist, Yahoo! Research)  
S. Seshadri (CTO, Kosmix Inc.)

## Tutorials

**Uncertain Clustering: Models, Methods and Applications**  
(Zhang Zhenjie and Tung Kum Hoe - National University of Singapore)

**Graph Mining Techniques and Their Applications**  
(Sharma Chakravarthy - University of Texas at Arlington)

**More tutorials to be announced**

## Research, Industry and Applications Tracks

23 papers from 6 countries, selected from over 55  
submissions

## Student paper and Demo tracks

6 presentations

## Conference Organizers

General Chair	Anand Deshpande (Persistent Systems)
Organizing Chair	S. Sudarshan (IIT Bombay)
Program Committee Co-Chairs	N. L. Sarda (IIT Bombay) Gautam Das (Univ. Texas, Arlington)
Tutorial Co-Chairs	Sreenivasa Kumar (IIT Madras) Divesh Srivastava (AT&T Labs)
Application/Industrial Track Co-Chairs	Govindarajan V.R. S.C. Gupta (National Informatics Centre)
Panels and Student Papers	Srinath Srinivasa (IIIT Bangalore) Arvind Hulgeri (Persistent Systems)
Publications Chair	P. Krishna Reddy (IIIT Hyderabad)
Publicity and Demo track Chair:	Ravindra Guravannavar (IIT Bombay)

## Registration

Register before December 1, 2008 for early-bird discount  
Special discount rates for students!!! Seats limited.
