

# PROJECT REPORT

---

## TEAM MEMBERS

GROUP 8

SLOT 6B

1. RAJAN DEWANGAN(TEAM LEADER)
- 2 .VAIBHAV NEHETE
3. SAKSHAM HOODA
4. MOHINI RATHI

## ABOUT THE GAME:-

- Minesweeper is a single player puzzle game that requires logical thinking.
- The objective of the game is to clear a rectangular grid by uncovering the cells but without uncovering the ones containing the mines as fast as possible.

## PROJECT STATUS:-

Completed the stage one of the project- SRS document, User manual, defined functions.

## FUTURE PLANS

- In the upcoming diwali vacations we have planned to learn more about graphics and work on our coding.
