

7/10/2014

Time Spent: 1 hour

- The whole team-Vaibhav Nehete, Rajan, myself(Saksham Hooda) and Mohini Rathi had a meeting to decide the topic of project.
- We had narrowed down our options to Sudoku and Minesweeper, we had a discussion with our TA and finally chose Minesweeper as our project.

9/10/2014

Time Spent: 1hr 30 min

- All of us- me, Vaibhav Nehete, Mohini and Rajan played a lot of minesweeper to know about its rules and understand the game better.

12/10/2014

Time Spent: 1hr 30 min

- All of us-me, mohini, Vaibhav and Rajan started preparing the document containing problem definition, basic algorithm, rules of the game etc.

## 14/10/2014

Time Spent: 2hr

- In the CS Lab we discussed about division of work and also about functions to be used in the project.  
☐ We decided to meet again on Friday.

## 18/10/2014

Time Spent: 2 hr

- Our Friday meeting got postponed due to the chemistry quiz.
- Me and Rajan started doing user manual, the SRS and also the functions required for the programme while Mohini and Vaibhav worked on algorithm, project report etc.

## 19/10/2014

Time Spent: 3 hr

- Both of the sub groups(Rajan&me, Mohini&Vaibhav) completed their respective tasks.
- We cross checked each other's work and then did some modifications to our work.

- Rajan finally submitted our work within the deadline.

21/10/2014

Time Spent: 1 hour

- We meet in the hostel 15 mess and divided the work for the second part of our project.
- We worked out the logic behind our program.

26/10/2014

Time Spent: 1 hour

- We, all of us met in the mess and discussed our project and also the future plans.

4/11/2014

Time Spent: 2 hour

- During our lab we had a meeting wherein we discussed about the project and also showed our work so far to the TA who suggested several

improvements in our coding, specifically to add more comments.

7/11/2014

Time spent: 1 hour

- I planned the design of the game and created choice and getgameinfo functions.

17/11/2014

Time spent: 2 hour

- We didn't do much work during the end-sem duration but after the exams we started working again and had a meeting in the mess.
- In the meeting we discussed our progress so far, combined our individual efforts and planned on the future work.

19/11/2014

Time Spent: 5 hours

- I created the func function and also removed some errors from the program which took a LOT of time and work.

20/11/2014

Time Spent: 6 hours

- Vaibhav discussed with me about graphics in our project but we had several problems and we were not able to sort them out.
- We talked to our friends but still couldn't display the values of the game board on the problem board on clicking.

21/11/2014

Time Spent: 4 hours

- Our code without graphics was complete and the game was fully functional.
- We had a meeting in the mess where we discussed the problem but were unable to find the solution to it.

23/11/2014

Time Spent: 4 hr 30 min

- We met with the TA to discuss our problem but we still couldn't solve it.
- But he told us that our code without graphics was good so we decided to not use graphics at all and added some features to our non graphics program to make it look better.

24/11/2014

Time Spent: 2 hour

- We had a final discussion in the mess regarding our project and we finished the srs and the project report
