

Diary of Omkar Kajrolkar Roll No. 140020014

Date: 1st October

As we had been told about CS project, I tried to find some interesting topics for CS project by searching via Google.

Date: 6th October 2014

I overviewed topics for CS project topics given on CS101 website.

Date: 7th October 2014

Saw various project related material on websites for deciding project.

Date: 14th October 2014. Time: 1-1/2 hrs.

We finalized 'Word Game' game as a final project. In group meeting, we distributed work for SRS documentation and discussed about samples of SRS from the internet. I also gathered 50 words each for easy, medium and hard levels.

Date: 16th October 2014. Time: 2 hrs.

In lab group discussion, we discussed about overall outline of the game, functions required, problems which may occur in future. We also thought about the functions required to make the project.

Date: 18th October . Time: 2 hrs.

Completed SRS document part which I was allotted and also wrote part of the project report.

Date: 15th November. Time: 1 hr

Team Meeting

Date: 20th November. Time: 1 hr

Team Meeting

Date: 23/11/2014 Time: 2 hrs.

Goutham handed me over the code. I understood the code, and wrote SRS FILE which I was allotted.

Date: 24/11/2014. Time: 2 hrs.

Completed Project report part which I was allotted and submitted individual project diary.
