

## OUR PROJECT : BANK MANAGEMENT

Rajat Chaturvedi

Roll no : 140050027

Slot 11

Group 7

Other team members : Suman Swaroop, Sowmya M

Project Diary

14 Oct 2014

Time : 8:30 to 10:00

- Discussed Stage 1 of Project.
- Learnt basics of structures and classes.
- Learnt basics of graphic library simplecpp.
- Discussed functions and facilities to be used in project.

16 Oct 2014

Time : 10pm to 11:30pm

- Discussed algorithm for program.
- Also decided on work distribution for stage 1.
- Alloted chapters to study for the project.

21 Oct 2014

Time : 8:30 to 10:00

- Discussed Stage 2 of Project.
- Decided on work distribution for stage 2.
- Learnt usage of file handling in c++.

24 Oct 2014

Time : 10pm to 11pm

- Started to work on the basic structure of all the various functions.

4 Nov 2014

Time 8:30 to 10pm

- Started work on the create function.

- Also made some dialog boxes using QT graphics.

8 Nov 2014

Time 8:00 to 9:30pm

- Decided to switch to GTK for the display of graphics.

15 Nov 2014

Time : 9 to 10pm

- Wrote code for other functions.

16 Nov 2014

Time : 3:30 to 5:30 pm

- Integrated file handling on all functions.

16 Nov 2014

Time : 11:30pm to 2:00am

- Wrote backup code with terminal graphics as precaution.

17 Nov 2014

Time 8:30pm to 9:30pm

- Helped other team members with integrating graphics in the program.

18 Nov 2014

Time NA

- Decided to switch to GTKMM for graphics, as passing multiple variables was not possible through GTK.

20 Nov 2014

Time NA

- Helped in integrating GTKMM to the program.
- Also rectified some bugs in the coding.

21 Nov 2014

Time NA

- Introduced Loan and FD functions to the program.
- Wrote code for them.
- Also, debugging of the code.

23 Nov 2014

Time NA

- More debugging of code and first successful run of the program.
- Still, some errors left.
- Working on Error Handling.
