Personal Diary
Shrey Kumar

S.No.	Date	Start Time	Duration	Description of Work
1	26-10-2014	10:30 PM	45min	We discussed about algorithm ,its image in the memory and also done some work distribution.
2	29-10-2014	7:00 PM	1.5hr	Studied and tried to write some call back fuctions
3	30-10-2014	8:30 PM	2hrs	After some browsing we found Fltk tutorial. We started reading it.Also discussed about number of levels and their configurations.
4	02-11-2014	2:00 PM	1 hr	Wrote callback function for some buttons.
5	02-11-2014	9:00 PM	0.5hrs	Get help from team mates about problems I was facing.
6	06-11-2014	8:30 PM	1hr	We had team meeting in which we get help from each other in some algorithm and understanding the FLTK tutorial.
7	08-11-2014	12:30 PM	1.5 hr	We discussed and change the input source to be done by mouse click instead of keyboard input. We faced some problems in understanding the mouse controlling aspect on FLTK tutorial which was sorted by a senior student senior
8	15-11-2014	4:00 PM	1 hrs	Played game with Gaurav to get ideas for making level 3 harder.
9	17-11-2014	10:00 PM	1.5 hrs	I sum up all our code and looks for improving it the game. I started implementing it.
10	18-11-2014	12:00AM	1.5 hrs	Wrote some code to add Quit_CB() .
11	19-11-2014	11:00 AM	2hrs	Gaurav and I created class and download xpm from net and use array pic and col in various part of program.
12	20-11-2014	5:00 PM	1hr 45min	We work on project report and tested code.
13	21-11-2014	4:00 PM	1hr	We sat together and modify the documents of 1st stage submission to include changes that we made.
14	22-11-2014	10:30 PM	1hr	Give suggestion to include help button. Check the code if we can make it better and shorter.

| 15 | 23-11-2014 | 8:00 PM | 1.5hrs | We tested our code and Gaurav distribute some work of the srs,project report and user manual which we suppose to submit.We also evaluated each other's work. |
