**Yathansh Kathuria      140050021**

**Rahul Kiran      140050071**

8-October-2014, Wednesday: (9.30-10.30)

We had a group meeting to finalize our topic as encryption.

14-October-2014, Tuesday: (10.00-11.30 PM)

We had a team meeting and decided our cipher for encryption and the format of our user interface. I took the task of writing the algorithm.

17-October-2014, Friday: (10.00-10.45 PM):

We had a team meeting to review each others work.

28 Oct,2014:(9.30-11.30 PM)

we returned from Diwali break and had a meeting on the progress our work and how to manage time between endsems.

5 Nov,2014:(9.30-10.15 PM)

had our last meeting before midsems. Agreed on using Cimg library for image processing.

15 Nov,2014:(10.00-11.00 PM)

Had a team meeting. Saw others progress

23 and 24 Nov,2014:

Sat for the whole days with the team trying to debug our programm.
