

CS101 Course Project

Minutes of various meetings

01-Oct-2011 – All Team Meet

Members attended – Pratyush Nalam, Pravinkumar Raut, Premchandra Rathaur, Pratiik Malik, Rishiraj Singh, Rohit Bhangre

Venue – New Software Lab, IIT Bombay

Minutes written by Rishiraj Singh

The meeting started with Avishek inviting proposals for the project. Pratiik and I suggested a project based on graphics. Pravinkumar and Pratyush suggested that graphics in EZWindows were quite elementary. So keeping in mind the course structure of CS101, Avishek suggested a project involving file handling, pointers and arrays. We decided to make a student management system. We discussed the various features and functionalities our project could have and possibility of a user interface involving graphics.

08-Oct-2011 – All Team Meet

Members attended – Pratyush Nalam, Pravinkumar Raut, Premchandra Rathaur, Pratiik Malik, Rishiraj Singh

Venue – Brewberrys, Hostel 8, IIT Bombay

Minutes written by Rishiraj Singh

We discussed the possibility of having a user interface based on EZWindows but decided against it as EZWindows lacked some basic functionalities required by us. We decided the various features to be incorporated in the student and instructor interface of our student management system. It was decided that Pravinkumar and his team would start the coding for professor class while Pratyush and his team would start coding for the student class in the upcoming week. It was decided to meet according to our teams in the upcoming week.
