

Diary

29th October 2014
Wednesday
in lab from 8:30-10:30
Discussed in details.

2 November 2014
Discussed about Graphics.
Due to cumbersome code and low use of images we decided to remove images and other media. We decided to use simplecpp for creating the homepage.
Studied structures in night.

6th November 2014
Ankit's Room
5:00-6:00
We tried our hand at SimpleCPP.
6:00-10:00
Saw simpleCPP lectures by Ranade Sir.

6-14 November 2014
No project work. End semester preparations.

16 November 2014
Met in Mess after lunch. Distributed work. Created Addtvshow() function on the basis of draft prepared in the lab. in the night

19th November 2014
2:00pm-4:00pm
Created Welcome Page at Ankit's Room.
Also some slight changes in format of structures. Started compiling all information related to tv shows.

20th November 2014
In my room
solved the problem of positioning text on simplecpp canvas.
Received Info about movies and celeb from Siddhant and Ankit respectively. Started Data feeding of movies.

21st November 2014
In Siddhant's room
discussed the progress of our program. Ankit's Birthday treat.
In my room
Started completed Movies and Tvshows Data feeding.

23rd November
Met at my room from 4:30 - 7:10
Quiz and News section added to the program. Homepage was decorated.

24th November 2014
Database Corrupted due to wrong data type input
Hence repeated data feeding.
Edited SRS.
