## SECOND STAGE DIARY ENTRIES

21/10/14

Met on lab and worked for 2 hours.

I was working with Shubham in completing the diary part.

25/10/14

Met on room and worked 2 hours.

I was presenting my views on calculator part. Though on that day much work was not done.

4/11/14

Worked for 1 hour on lab

It was a great day there was no quiz so we only discussed on our project part.

18/11/14

Worked for 2 hours

I wrote code on hyperbolic function and discussed about solving part.

19/11/14

Worked for 3 hours

I along with Abhishek and Vamshi were checking on working of calculator part.

20/11/14

worked for 2 hours

We were still checking code on working of evaluate function. I also wrote code on inverse trigonometric function.

23/11/14

worked for 4 hours

We worked on display part and we discussed on merging different things.
