

Project diary stage 2

24nd Oct 2014:

7:00 pm to 9:00pm

Did research on simplecpp.Tried learning basic functions

26st Oct 2014:

6:00 pm to 8:30 pm

Wrote basic code using simplecpp

3th Nov 2014:

9:30pm to 10:30pm

Did some work on certain algorithms required for the UI

4th Nov 2014:

8pm to 11pm

Started writing actual code for the UI.Basic layout decide.

6th Nov 2014:

9:30pm-11.30pm

Navigator layout decide.Did some coding

23rd Nov 2014:

6:30pm-9:00pm

Completed basic layout and part of the Navigator.

Started integrating everyones code

24th Nov 2014

2:00pm to 6:00pm

Integrated everyones code and final debugging
