CS 101: Computer Programming and Utilization

July-Nov 2016

Prof. Bernard L Menezes
(cs101@cse.iitb.ac.in)

Lecture 1: Course Plan

Resources for the course

- Course page: http://www.cse.iitb.ac.in/~cs101

- Prutor page: https://cs101.cse.iitb.ac.in

- email: cs101@cse.iitb.ac.in

Lectures

- Division S1:
  Tuesday 15:30 to 16:55 (Slot 11A),
  Friday 15:30 to 16:55 (Slot 11B)

- Division S2:
  Wednesday 11:05 to 12:30 (Slot 6A),
  Friday 11:05 to 12:30 (Slot 6B)

Labs

- Beginning this week

- New CSE building, second floor, Labs 202 and 203

- Regular labs on Wed/Thu/Fri

- You need to attend on an assigned day

- Help sessions on Monday (need to pre-register for the help sessions)

Labs

- You will be mentored by a TA

- Students will be divided into groups of 12-15 each

- Each group will have a group TA(GTA) associated with it throughout the course

Evaluation for Grade

- Out of 13 lab sessions, 6 will be graded and 7 will be ungraded

- Attendance is compulsory in all lab sessions

- 2 quizzes(as announced by Acad office), mid sem and end sem

Plagiarism

- Avoid at all cost

- It may be safer for your academic life in IITB to fail a course than try to copy !!!
