If I get elected for the post of Department social secretary, will do my best to dutifully carry out my responsibilities and work hard to achieve the following to the best of my capabilities:

- To Increase the awareness about the events, will conduct sessions and will describe events as well as time and dedication required for the events.
- Will personally talk to students and will take care of interests of the individuals and let them know about particular events of their interests.
- Will always keep the enthu of junta at highest level by motivating them from our previous experience.
- Will encourage people to increase participations in events especially in PGcult by delivering proper guidance
- Will increase interactions of people with common interests so that they would learn from others and expose their talent as much as they can.
- Will circulate updates of events as fast as possible so students can manage their time accordingly.
- Will conduct workshops from professionals of the institute whenever it is necessary for a competition.
- Will actively work with council members in non-cultural events.
- Will take good and bad responses after the event and improve accordingly.
