

MANIFESTO

I, **Sayali Borkar (173050064)**, is contesting for the position of **Social Secretary, Computer Science Department, 2018-2019**. If I get elected, I promise to work with integrity and consideration for the benefit of others. I am looking forward to exploit my abilities in order to bring our department into limelight for culturals and would like to bring the following programs into motion -

- Improve and enhance the existing communication technique to convey the events organized.
- Add extra events in order to improve the freshers and seniors interaction.
- Talk to the freshers beforehand about their interest and conduct music jamming and dance sessions.
- Promote literary events among students and try to influence them in writing remarkable poems and articles.
- Set up a platform where students can rent exotic instruments like bongos and ukulele, for practice.
- Keep the students informed about the events taking place and opportunities that they can find.
- Encourage and help students in participating for various smaller events like pot painting and rangoli, etc.
- Help in organizing various departmental activities related to culturals or any other domain.
