

MANIFESTO

I, **Yash Jain (170050055)**, if elected for the post of **Social Secretary , CSE** will aim to live to the expectation of my fellow Department mates and carry out my duties to the best of my capabilities. I would strive for:

General duties:

- Organisation of **Freshmen Orientation** to increase a healthy interaction between freshmen and seniors as early as **third week of August**.
- Proper Co-ordination with DGSec in maintaining a proper student FSMP mentor ratio with decent **Freshmen Lunch**.
- Ascertain that **Department Hoodies** are made available by **second week of October** and **Department T-shirts** by **first week of March** by making finalising the design of each in summer and winter breaks respectively.
- Plan the **Department Traditional Day** in a manner that will make the event fun and interactive. Conduct proper batch photographs with cultural performances latest by **second week of February**.
- Collaborate with fellow council members for smooth conduction of **CSE Feast**.
- In all these events I will try my level best to ensure
 - **Proper food distribution** maintaining hygiene and quality of food
 - Arrangement of **better mic and amplifier systems** wherever needed.
 - **Pre-planning of itinerary** of each event with the help of council.
- Carry out **Proper Publicity** of each event by creating **Facebook Groups** and co-ordinating with **CR's** of each batch to publicise using **WhatsApp groups** also.
- Co-ordinate with co-council members and ensure proper execution of **sports and alumni** events.

Initiatives

- Planning to give the option of **CSE Sports Jacket** that could be worn in summers also instead of CSE Hoodies.
- Conduct a “**Fundae talk**” **each semester** for **Freshies** as well as **Sophomores** guided by seniors telling them “**What to do this semester?**” and answering their general queries.
- Arrange a **photo-booth** with **funny props** on **Department Traditional Day**.
- Organise an **Department Coding Competition** using online coding sites in the even semester (preferably at the start of semester) and making a compulsory freshie senior team so that freshies can get an experience of competitive coding.
- Organise an **Informal Gaming Night** and try to include newer games.
- Help DGSec to get more articles for “**BitStream**”, **CSE Annual Newsletter** by persuading seniors to share their experiences of their internships, PoR or freshies to share their experiences after coming to institute using **Facebook** and **WhatsApp** groups.
- **Publicise** about **formal events** by sending mails on **GPO** to all CSE batch with the help of DGSec.
