Directions to Gudwanwadi

From Mumbai.

- Get on to the Pune Expressway, and take the first exit (Shedung). This is about 7-8 minutes from Panvel. Pay toll Rs. 20 (Car).

- Continue till you reach the old Pune Highway. Take a left here. Cross a one-way bridge to reach point E (Chowk). This is about 10-12 minutes (15km) from the toll Naka.

- Take a left at Chowk for Karjat (10km). This will cross the railway track to reach Karjat.

From Pune

- Get off the expressway to Mumbai at the Khopoli Exit, about 5km before the toll naka.

- Reach Khopoli, cross the river, and join the old highway to Mumbai.

- Take the right turn to Karjat, about 3km outside Khopoli. Karjat is about 14km from this turn.
At Karjat, cross the river over Rampul to reach point D. You are now on the road to Kashele.

Kashele (point C) is about 18km from Karjat. At Kashele take the Murbad road. Cross the Shilar river (now dry) to come to Sugwe village right on the river. Sugwe is about 10km from Kashele. 1km ahead of Sugwe is point B where you take a left turn.

Go straight for 2km to reach Gudwan village. Enter the village and turn right. The road is very narrow through the village. 2km ahead, after a small climb, is Gudwanwadi, the dam site.
