

# Honour Code

I hereby affirm that I will uphold the highest principles of honesty and integrity in all my endeavours at IIT Bombay and foster an environment of mutual respect in the institute.

## Academic Integrity:

1. I shall not wilfully claim others' academic work as my own whether be it for the purpose of an examination, assignment, or otherwise in academic activities either within the institute or outside the institute while I'm registered as a student of IIT Bombay.
2. I shall not share my work with others during an examination, for the purpose of an assignment, presentation or any other academic activity except when specifically permitted by the instructor.
3. I shall not attempt to steal, alter, misdirect or otherwise tamper with the work of any person, through digital means or otherwise, without the explicit permission of that person.
4. In assignment, projects, presentations and other academic work, where I have been aided by any person or any source, be it directly or indirectly, I shall duly credit and acknowledge the person or source in my work.
5. I shall not attempt to falsify any academic documents, my presence or my identity in a lecture, examination or any other academic activity, nor shall I aid anyone else in the same.

## Life on Campus:

1. I shall not harass any person, physically or mentally for any reason whatsoever. I shall treat others with mutual respect and not discriminate anyone based on religion, caste, sex, sexual orientation, gender, language or other factors.
2. I shall not attempt to breach the privacy of any individual - physical, online or otherwise, nor shall I attempt to destroy, mutilate or take into my possession any object, intellectual property, information or any other possession that is not rightfully mine without the direct expressed consent of the owner.
