ALC

The 14th Asian Logic Conference will be held at the Indian Institute of Technology, Bombay, from January 5 to 8, 2015. ALC 2015 will be co-located with ICLA 2015, the 6th Indian Conference on Logic and Its Applications to be held during January 8-10, 2015.

The Asian Logic Conference series is sponsored by the Association for Symbolic Logic, and the meetings are major international events in mathematical logic. The series features the latest scientific developments in the fields in mathematical logic and its applications, logic in computer science, and philosophical logic. It also aims to promote mathematical logic in the Asia-Pacific region and to bring logicians together both from within Asia and elsewhere to exchange information and ideas.

Submission

All participants who wish to give a 20-minute talk must submit an abstract. We particularly invite papers by logicians from the Asia-Pacific region.

The conference topics include, but are not limited to: Set Theory; Model theory; Recursion Theory; Proof theory; Computability Theory; Algebraic Structures; Logical Aspects of Computation; Philosophical Logic.

The abstract must be written in ENGLISH and must contain the following: title; author(s); email address; identification of corresponding author, if not the first author; a short abstract (not more than 500 words) and a list of keywords. Use of AMS-LaTeX or MathML is acceptable but please do not use private macros or include images.

All submissions will be in electronic form and submitted via easychair submission system.
