Call for Abstracts for ICVGIP Doctoral Symposium

The ICVGIP Doctoral Symposium is meant for PhD students at an advanced stage working in all areas releveant to ICVGIP to provide an opprtunity to showcase their thesis work and interact with experts in the field about their thesis work.

The Doctoral Symposium will be a poster session during the main conference. Note that the presented work at the doctoral symposium have to be original (could be 'work-in-progress'). Apart from the program committee review, these poster presentations would present the doctoral students with an opportunity of detailed discussions with the conference attendees and obtain feedback on their thesis work. The program committee also encourages the doctoral students to have live and/or interactive demonstrations as part of their presentations.

Each Ph.D. student, who wish to participate in the symposium should submit an extended abstract (at maximum 2 pages in two column IEEE format) to the Doctoral Symposium Program Committee (e-mail: docsymp2014@mile.ee.iisc.ernet.in) before the end of deadline. The extended abstract should clearly describe the main motivation and results with adequate details to allow the program committee to comprehend the potential contribution(s) of the work. All collated accepted abstracts will be available on the ICVGIP website. This doctoral symposium is meant for current Ph.D. students, i.e. they should be bonifide Ph.D. students during the symposium.

Award
The best doctoral symposium paper award will be given for the best poster presentation (including the impact of the work presented) during the main conference.

Important Dates
Doctoral Symposium Submissions Due: October 10, 2014.
Notification of Acceptance: October 15, 2014.
Revised submission of abstracts: October 25, 2014.
