

ICPE 2019

10th ACM/SPEC International Conference on Performance Engineering

Mumbai, India
April 7-11, 2019

The **ACM/SPEC ICPE** is a leading international forum which brings together researchers and practitioners to discuss novel ideas and experiences in performance engineering. ICPE is coming for the first time to **India**, to **IIT Bombay**, and brings to you academic speakers from top universities around the world, and industry speakers from global companies that dominate the space they occupy.

Keynote Speakers

Software Aging and Rejuvenation

Prof. Kishor Trivedi

Duke University, USA

Reliability Analysis of GPGPUs

Prof. Evgenia Smirni

College of William and Mary, USA

Scaling for High Performance

Dr. N Muralidaran

MD & CEO - NSEIT

Paper Presentations

Performance, scalability and energy efficiency of

AI based Performance Monitoring,
Diagnosis and Benchmarking
AI frameworks

Cloud & Big Data
Intrusion Detection Systems
SQL/NoSQL Databases

Mobile Cloud Computing
Smartphones & IOT
Data Center Networking

GPU, Multicore CPU, CPU-FPGA
HPC Clusters & Batched Systems
Industry Automation Systems

Workshop, Tutorials : 7th - 8th April 2019

Venue: IIT Bombay, Mumbai

Main Conference : 9th -11th April 2019

Conference Website: <https://icpe2019.spec.org/>
